

Perrydale Parents' Club Auction Fundraiser

Please join us May 4, 2018 at the Beautiful Eola Event Center

May 4th, please join us for Perrydale's 2018 auction. The auction is the major fundraiser for the PPC. The proceeds from this event assist students, grades K-12, by providing funding for educational school assemblies; elementary, middle school, and high school classroom improvements; field trips; as well as additional library books. The auction donors and sponsors also provide funding for additional science and agricultural related activities, as well as student career exploration. Finally, these monies fund major school improvement projects such as the science classroom remodel and upgrade, and the greenhouse addition. The 2017 auction helped us purchase 60 Chromebooks to be used at the school.

In addition to generous donations of tangible goods and services, your business has the opportunity to become an event sponsor. Each sponsorship level gains your business additional visibility to the attendees of the event as well as the Perrydale School and Community. With attendance of around 200 guests and large community involvement, sponsorship is a great way to let everyone know about your business and that you are an active supporter of education.

We thank you for your support, greatly appreciate your donations, and look forward to seeing you at the 2018 auction!
